CHRISTMAS BREAK, 2009

Principal's Message

Advent is a beautiful season, but I always look forward to saying "Merry Christmas" to everyone. So, Merry Christmas and Happy New Year to you and your family this season. I hope that this season is one filled with joy and peace. Our last day of school is December 18th (noon dismissal) and School reopens on January 4th.

This brief newsletter contains some important reminders about Christmas events and news. Please read it and keep the January calendar handy for the coming month.

Merry Christmas and Happy New Year. May the peace of Christ reign in all our hearts this Christmas.

Snow Days

As I am sure you have heard there is snow in the forecast. On Tuesday the forecast has been switching back and forth between heavy rain or snow.

In the probable event of snowfall on a school day, be sure to check if school is cancelled before coming

in. **Your first and most updated source of information will be the school website.** As soon as school is cancelled we will post the announcement there.

For those without internet access or on the road during the time when a deci-

sion may be announced; please stay tuned to CKNW 980AM for their list of school closures.

In the event of snow our hot lunches may have to be postponed. We will advise you in advance if this becomes necessary.

Christmas Concert

All parents, families, and friends are cordially invited to our annual Christmas Concert.

Performances will take place on Tuesday, December 15th at 1pm and 7pm.

Please remember that we will be collecting non-perishable food items for the needy that day. Just bring in your items and drop them off in the box by the door.

The Langis' will be selling photos of our Christmas concert for \$10. All profits will go to the Guardian Angel Fund.

See you there!
